Title of Collection: Employers of National Service Enrollment Form and Annual Survey

OMB Control Number: 3045-0175. *Type of Review:* Renewal.

Respondents/Affected Public: Businesses and Organizations, State, Local or Tribal Governments.

Total Estimated Number of Annual Responses: 1180.

Total Estimated Number of Annual Burden Hours: 490.

Abstract: This is a request to renew the Employers of National Service Enrollment Form and Annual Survey. Organizations from all sectors either seeking to become or already established as Employers of National Service will be filling out these forms. This includes businesses, nonprofits, institutions of higher education, school districts, state/local governments, and federal agencies. The purpose of the enrollment form is to

document what the organization is committing to doing as an Employer of National Service and provide its contact information to AmeriCorps. The information gathered on the enrollment form will also allow AmeriCorps to display the organization's information accurately online as a resource for job seekers. It will also enable AmeriCorps to speak to the diversity within the program's membership, both for internal planning and external audience use. The purpose of the survey form is to track what actions an employer has taken in the past year, gather stories of success or impact, collect quantitative hiring data relating to AmeriCorps and Peace Corps alumni, and provide organizations with an opportunity to update their contact and location data.

AmeriCorps seeks to renew the current information collection. The revisions are intended to streamline questions, making it easier for organizations to complete the form. The information collection will otherwise be used in the same manner as the existing application. AmeriCorps seeks to continue using the current application until the revised application is approved by OMB. The current application expires on July 31, 2022.

Dated: June 3, 2021.

Chief Program Advisor.
